This is UNEVALUATED Information			

1. Deutsch Wagram airfield. Between 0800 and 1530 on 13 April 1955, 41 MiG-15s were counted on the field. There was a 10/10 overcast at an altitude of about 2,000 meters, intermittent rain, a northwesterly wind of about 15 km/h, and visibility of up to 2 km. No air activity was conducted. No movements were seen near the MiG-15s, some of which were covered with tarpaulins.<sup>1</sup> The barracks area at the field seemed to have been enlarged toward the north. The pin-point location and other details could not be observed. Around noon, 60 men left the barracks area on trucks [ ] which moved to the "larger house" in the Strasshof military post. The AA gun emplacement was not occupied. Three MiG-15 crates and 1 engine crate were seen near the spare parts depot. 25X1

2. Deutsch Wagram military post.

No 19 Bahnhof Strasse. Truck [ ] was parked in front of the building. One jeep and 1 signal van-like truck were seen in the yard. 25X1

School building. Three trucks [ ] were parked under the lean-to roof in the yard of the school. A wind anemometer was observed in the yard. Soviet children wearing uniform blue suits and blue flat caps were seen leaving the building and in the yard. An increased number of Soviet youths in the Soviet Zone of Austria wore the described uniform. Van-like truck [ ] conveyed some children toward Strasshof. 25X1

No 10 Gaenserndorfer Strasse. Truck [ ] with a civilian driver parked in front of the building. Civilians unloaded sacks from the truck into the building. Soviet women were seen entering the house with shopping bags. 25X1

No 7 Schiller Gasse. About 15 men entered truck [ ] which subsequently moved toward Strasshof. 25X1
